## About Us

**Meilleur Plantations** (MS INDIA PRIVATE LIMITED) is a leading agarwood plantation company. We are also a member of MSME, GST, DGFT, FSSAI & APEDA. Agarwood, also known as oud, is a highly prized fragrant wood that is used in perfumes, incense, and traditional medicines. It is known for its distinctive and intense aroma and is sourced from a variety of evergreen trees. Meilleur Plantations is focused on the cultivation and production of agarwood and is committed to sustainable and ethical practices.

The company aims to provide high-quality agarwood to the global market while preserving the natural resources and ecosystem of the regions in which it operates. With its experienced team and innovative techniques, Meilleur Plantations is well positioned to meet the growing demand for agarwood and contribute to the development of the Industry in India. By combining traditional knowledge with modern technology, the company strives to deliver the finest agarwood products to customers while promoting sustainable and responsible agriculture practices.
